Project Description

During the development of Orchard Pond Parkway the developer agreed to grant Leon County a 15 foot trail easement on the south side of the right of way of Orchard Pond Parkway from the old crossing of Orchard Pond Road and the new toll road, east to Bannerman Road.

This trail was listed in the 2015 Greenways Program as 1.4 mile paved trail bike/ped trail. However to date no funding source has been identified for the design and construction of this trail.
